Getaway for a revitalizing experience of wilderness and wellness. Travel aboard the National Geographic Sea Bird, your floating base camp, and sail to the Channel Islands. We’ll actively explore three of the five wildlife-rich islands which make up the Channel Islands National Park, plus beautiful Catalina Island. Kayak and hike and revel in pure nature.

DAY 1: LOS ANGELES / EMBARK
We embark National Geographic Sea Bird in the early evening—where you’ll meet the team and settle in for the days ahead! (D)

DAY 2: ANACAPA AND SANTA CRUZ ISLANDS, CHANNEL ISLANDS NATIONAL PARK
Wake to the gentle motion of the ship at anchor off the rocky outcropping of East Anacapa Island. Join your fitness instructor on the sundeck for morning yoga, before heeding the call of the breakfast buffet. After breakfast, join naturalists aboard our expedition landing craft to go ashore on East Anacapa. The goal is the Anacapa Lighthouse, built in 1912, the last major light station to be built on the west coast. Soak in the views from Inspiration Point or, for a more relaxing option, explore Arch Rock via Zodiac.

DAY 3: SANTA ROSA ISLAND, CHANNEL ISLANDS NATIONAL PARK
Spend the day kayaking, hiking one of the many trails, or relaxing ashore. Join our naturalists for a more strenuous hike out to the base of the Torrey Pines, considered one of the world’s rarest pines, and one of only two naturally occurring groves in the world. The day ends with a pre-dinner yoga session on deck, followed by a sunset cocktail party, as we cruise, weather permitting, around San Miguel Island at sunset to see the spectacle: over 30,000 pinnipeds, and up to five different species, haul out on the beaches at various times of the year (B,L,D)

DAY 4: CATALINA ISLAND
Spend the day discovering the colorful history and natural wonders of Catalina Island. Once a haunt of smugglers and gold-diggers, the island was transformed into a resort destination by chewing gum tycoon
William Wrigley, Jr. in the 1920s. Some 50 years later, William’s heirs, Philip K. Wrigley and Dorothy Wrigley Offield, established the Catalina Island Conservancy, protecting nearly 90 percent of the island. After a morning workout on deck followed by breakfast, enjoy a session with a Conservancy member to learn about their work on the island before heading out on the trail for spectacular views of the coastline and the Catalina backcountry. With luck, we may catch a glimpse—or a photo—of the elusive fox species endemic to the island. Head for the water to kayak or stand-up paddleboard.

After lunch, the ship arrives in Avalon Harbor, where you’ll have time to explore on your own. Explore downtown Avalon, the island’s only incorporated city, population a little under 5,000. Take the 30-minute (mostly uphill) stroll up Avalon Canyon to visit the Wrigley Monument and The Botanic Garden. Or visit an architectural gem: the famous Catalina Casino, built by William Wrigley, Jr. in 1929. Scuba-certified? Our team will arrange diving and gear rental for you with a top local operator. Our team will arrange diving and gear rental for you with a top local operator. Return to the ship for sunset yoga on deck, a farewell dinner, and a last evening at sea, under the stars. (B,L,D)

DAY 5: LOS ANGELES / DISEMBARK
Awake dockside in the bustling Port of Los Angeles (early risers can catch the action in one of the world’s largest ports). Enjoy a final breakfast on board before disembarking—refreshed by your getaway.
