The right portion will be completed by the university, and the entire form will be returned to you. You will take the completed order form, a $15* state fee for personalized license plates, your regular state license renewal application, and the standard state renewal fee to a Missouri Department of Revenue office near you.

For more information, call (314) 935-3832 or email licensetolearn@wustl.edu.

IMPORTANT - PLEASE NOTE

Collegiate License Plates  The letters, numbers, or combination of letters and numbers on collegiate license plates shall not exceed six characters in length.

Collegiate license plates may be issued only to passenger motor vehicles subject to the registration fee according to taxable horsepower and to beyond-local commercial motor vehicles licensed for a gross weight of 6,000 or 12,000 pounds.

*All collegiate license plates expire one year from the date issued and must be renewed annually. Because collegiate license plates are characterized as personalized license plates, there is an annual $15 Missouri state fee in addition to your regular registration fee.

*Note: If you own a vehicle with an even model year, you may choose a two-year registration fee in an even calendar year. Those who own an odd model year vehicle may choose a two-year registration in an odd calendar year. If you choose the two-year option, submit the Emblem Use Authorization statement including twice the annual gift ($50 per vehicle) minimum donation to Washington University. The special plate fee for the two-year amount is $30 instead of the $15 annual fee.
