BOOK WITH CONFIDENCE!

No land/cruise cancellation fees for new bookings until 96 days prior to trip departure.
The safety and well-being of our travelers remains our highest priority. Cruise lines and some other providers of services (as well as, potentially, some countries) require all passengers traveling on our programs to present confirmation of a full COVID-19 vaccination, and, as well, passengers may have to produce evidence of a recent negative COVID test. All our staff are committed to adhering to all health and safety protocols from the start of your trip to the end as directed by the United States Centers for Disease Control and Prevention, overseas health officials as well as those protocols mandated by your cruise company (if applicable) and other suppliers of services. Detailed protocol information tailored to your travel program will be mailed to you along with additional pre-departure information.

Washington University Alumni and Friends:
Be part of a wonderful group—on a remarkable journey!

Join Washington University alumni and friends on a trip of a lifetime: Experience the astounding biodiversity of the UNESCO-inscribed Galápagos archipelago, preserved much as it was when Spanish colonists arrived in 1535. Home to unique animals, reptiles, birds, plants and aquatic life, Darwin’s “living laboratory of evolution” continues to inspire the thrill of original discovery in every visitor.

What’s So Special About Traveling with Washington University?
Just about everything!

First and foremost, you’ll enjoy traveling with a wonderful group of alumni and friends who share your love of learning through travel. Whether exploring in a panga boat, the glass-bottom boat or snorkeling in the pristine waters of the Galápagos, you’ll find camaraderie and a contagious spirit of adventure. In selecting this itinerary our Alumni Travel Committee also knew how much our group members would appreciate the luxury of the exclusively chartered, First-Class exploration vessel SANTA CRUZ II.

Do you have to be an alum to join a Washington University Travel Program trip?
Alumni, parents, friends—and their friends—are all welcome. The travel experience is made even more special when shared with others who love learning through travel. So sign up today—on your own or with a friend—either way you’ll enjoy an unforgettable travel experience!

Don’t Wait: Space is limited, and our $2000 (per couple) welcome back savings offer is only valid until October 29, 2021!

P.S. The Washington University Travel Committee strongly recommends that you purchase travel insurance for every trip on which you plan to embark. Unforeseen circumstances may cause you to cancel your trip at the last minute, and travel insurance will help to ensure that your fees are refunded. Washington University does not offer its own travel insurance, but Gohagan & Company recommends a policy you may purchase.
An astonishing vision of life completely devoid of human presence, the Galápagos Islands represent a truly unique and incomparable environment. Located six hundred miles off the coast of Ecuador, the archipelago’s isolation combined with the nutrient-rich waters of the Humboldt Current have created one of the world’s richest marine ecosystems.

Darwin’s “living laboratory,” the Galápagos Islands spurred the naturalist’s paradigm-shifting work, On the Origin of the Species. Published in 1859, his speculations on natural selection in the role of “aboriginal creations, found nowhere else,” inspired one of the most revolutionary scientific theories in history.

One of the first and most treasured UNESCO World Heritage sites, the Galápagos sustains an astounding number of endemic species which continue to thrive with the absence of natural predators. The legendary fearlessness of Galápagos wildlife allows for intimate, up-close encounters. Visitors delight in coming face to face with giant tortoises and marine iguanas, seeing Darwin’s finches, and swimming alongside playful Galápagos sea lions and swift Galápagos penguins.

U.S./Guayaquil, Ecuador
Wednesday, February 9
Depart the U.S. Upon arrival in Guayaquil, transfer to the Hilton Colón Guayaquil Hotel.

Guayaquil/Baltra, Galápagos Islands/Santa Cruz Island
Thursday, February 10
Fly to the small island of Baltra and embark the expedition vessel Santa Cruz II in time for lunch. Attend an orientation by the ship’s English-speaking Ecuadorian naturalists while cruising to Santa Cruz Island, known for endemic marine iguanas, prickly pear cacti, giant land tortoises and pristine white beaches.

Aboard panga boats, explore the shores of mangrove-lined islets and observe emblematic blue- and red-footed boobies, brown pelicans and magnificent frigatebirds. Visit a small lagoon frequented by pink flamingos and shorebirds before a short ascent of Dragon Hill, which provides sanctuary to a large population of land iguanas and affords spectacular views.

Attend the Captain’s Welcome Reception on board the ship this evening.

Please note that the itinerary and cruise pattern are dependent on weather, ocean conditions and Galápagos National Park Service regulations.

Photo this page: Explore the landscapes of Isabela and Fernandina Islands, which are home to over 90 percent of the islands’ endemic Galápagos penguins.

Isabela Island/Fernandina Island
Friday, February 11
Cruise through the ecologically rich Bolivar Channel, framed by the dramatic volcanic peaks of Isabela and Fernandina. Spend the morning at seahorse-shaped Isabela, a younger island formed by six shield volcanoes, notably Volcán Sierra Negra—the world’s second largest caldera. Enjoy opportunities to snorkel off Punta Vicente Roca or search the northern shores for Nazca boobies, Darwin’s finches and Galápagos hawks.

The rocky landscapes of Fernandina are the most untouched of all the Galápagos Islands. Look for Galápagos penguins and sea lions competing for fish, marine iguanas basking in the sun and flightless cormorants drying their wings amid scuttling Sally Lightfoot crabs. Discover how recent volcanic activity has reshaped the island’s topography, creating an ever-changing environment for thriving species found nowhere else.

Santa Cruz Island
Saturday, February 12
Visit the Charles Darwin Research Station—established in 1965—where over two hundred scientists collaborate in conservation efforts, including a breeding program for rare giant tortoises. Transfer to Santa Cruz’s cool, lush highlands for lunch amid an endemic Scalesia cloud forest.

This afternoon, choose from a variety of leisure activities at Tortuga Bay. Stroll along an immaculate sweep of white sand that shelters nesting sea turtles, marine iguanas and lava gulls. Snorkel in the clear waters of a secluded cove amid colorful reef fish or walk the island’s trails and keep watch for warblers, finches, mockingbirds and lava lizards.

Post Office Bay, Floreana Island/Champion Islet/Cormorant Point
Sunday, February 13
Floreana was one of the first islands in the archipelago to be settled by European whalers and buccaneers. At Post Office Bay, peruse the mail in the wooden barrel "post office," established by whalers to
transport letters home on passing ships. Select a piece of mail to hand deliver to its final destination or leave your own message to be delivered by a future visitor.

Cruise via panga or snorkel in the sparkling waters surrounding pristine Champion Islet—one of the best areas to snorkel in the archipelago. Encounter sea horses, sea turtles, sea lions, coral hawkfish and other aquatic wonders. Scan the skies and shorelines for a rare sighting of the endemic Floreana mockingbird, common to the islands when Darwin visited but endangered today. Walk along the brackish lagoons and mangroves near Cormorant Point, a haven for flamingos and pelicans.

Attend the Captain’s Farewell Reception on board the ship this evening.

Baltra/Quito
Monday, February 14
Dock in Baltra and disembark the ship. Board your late-morning flight to Quito, one of the highest capital cities in the world at 9,350 feet. Transfer to the ideally located JW MARRIOTT QUITO. Surrounded by snowcapped peaks, yet only miles from the equator, Quito is arguably South America’s most attractive and beguiling capital city.

Quito
Tuesday, February 15
Quito is a city of startling contrasts, where thousands of years of South American traditions are interwoven with Catholicism, the Spanish language and Western European culture. Experience the architectural splendor, indigenous traditions and contemporary verve of Quito, a UNESCO World Heritage site.

Visit the noble, 16th-century Iglesia de San Francisco—the continent’s most feted religious structure—Iglesia de la Compañía de Jesús, renowned for its lavish interior adorned with an estimated seven tons of gold leaf, and see the Moorish-influenced Catedral Metropolitana. Tour Casa del Alabado, an impressive private museum of pre-Columbian art and archaeological artifacts housed in a 17th-century colonial mansion.

Go ashore on panga boats to enjoy up-close encounters with Galápagos wildlife, including seal lions.

Quito
Wednesday, February 16
Stand in the “middle of the world” with one foot in each hemisphere at the equator. See the hundred-foot-tall Equatorial Monument, which commemorates the 18th-century multinational expedition that located zero degrees latitude, accurately establishing the Earth’s size for the first time. In the Ethnographic Museum, see exhibits that celebrate Ecuador’s cultural diversity.

Enjoy the afternoon at leisure to explore Quito.

Quito/U.S.
Thursday, February 17
Continue on the Machu Picchu and the Sacred Valley Post-Program Option or enjoy day room accommodations in the HILTON COLÓN GUAYAQUIL HOTEL and depart late this evening for the U.S.

Visit Quito’s legendary Iglesia de San Francisco, a fusion of colonial and indigenous aesthetics.
**FIRST-CLASS EXPEDITION VESSEL SANTA CRUZ II**

**Small Ship, Sustainable Cruising**
The Galápagos Island-based, First-Class SANTA CRUZ II is designed specifically to navigate these narrow channels, shallow bays and environmentally sensitive waters. The ship employs the latest in sustainable cruising technology in order to protect the archipelago’s delicate ecosystem and maintains the highest international safety standards.

**Exploration and Enrichment**
Enjoy the most comprehensive access possible to the region’s marine and wildlife treasures with panga boats for island landings, a glass-bottom boat and complimentary kayaking and snorkeling equipment. A team of Ecuadorian naturalists will share their expertise of the Galápagos Islands’ distinctive ecosystem during daily excursions, natural history lectures and a nighttime stargazing program (weather permitting).

Machu Picchu and the Sacred Valley
Post-Program Option

Explore Peru’s UNESCO-inscribed archaeological treasures and signature landscapes on this comprehensive Post-Program Option featuring Machu Picchu, Cuzco and the Sacred Valley. Cradled by the soaring peaks of the Andes Mountains, the Inca citadel of Machu Picchu summons awe and wonder like few other places—nothing can diminish your first glimpse of this fabled “lost city.” Machu Picchu was unknown to the Western world for four centuries until American explorer Hiram Bingham III discovered the site in 1911. Research and excavation has revealed that Machu Picchu was built in the 15th century as a retreat for the Inca emperor Pachacuti.

Admire the spectacular archaeological sites of the Sacred Valley, where ancient engineering marvels, such as the fortress of Ollantaytambo, stand as lasting testimony to the powerful and far-reaching Inca Empire. Here, village craftspeople employ age-old techniques to spin, dye and weave intricate tapestries and sculpt pottery painted with ancient, artistic patterns.

In the historical Inca capital of Cuzco, a UNESCO World Heritage site, see the stone fortress of Sacsayhuamán and Baroque- and Renaissance-style churches that provide a fascinating mix of pre-Columbian and colonial influences.

Enjoy deluxe, ideally located accommodations in Lima, Machu Picchu and Cuzco.

Day 1  Quito, Ecuador/Fly to Lima, Peru/
     Fly to Sacred Valley
Day 2  Sacred Valley
Day 3  Sacred Valley/Scenic Vistadome train ride to Machu Picchu
